

Disclosure Statement

Generate Group Qualifying Financial Entity (QFE)

This QFE Disclosure Statement is important because it provides information about the financial adviser services that our QFE advisers can offer you and it may help you decide which financial adviser best suits your needs.

This Disclosure Statement was prepared on 7 September 2016.

You can contact Generate by phone 0800 855 322 or by email at info@generatekiwisaver.co.nz

What sort of adviser is Generate QFE Group ('Generate')?

Generate Investment Management Limited and Generate Investment Holdings Limited are both registered Financial Services Providers and together make up the Generate QFE Group. We are KiwiSaver specialists and as such only offer one product, the Generate KiwiSaver Scheme (Scheme). We are the issuer and promoter of the Scheme.

Our Generate QFE Advisers:

We take responsibility for the services provided by all of our QFE Advisers. They are either employees or contractors who are nominated representatives of our QFE Group. Therefore Generate QFE Advisers do not need to be individually registered or authorised.

What our QFE Advisers can do for you:

Our QFE Advisers can provide you with information and general financial advice on KiwiSaver and the Generate KiwiSaver Scheme. They can help you understand the risks and rewards of KiwiSaver and the Generate KiwiSaver Scheme. They can also show you how to use a risk profile tool, become a member or how to transfer between schemes.

We also have QFE advisers who can provide limited personalised advice on the Generate KiwiSaver Scheme. This service helps you decide what type of investor you are and which of the Scheme funds may best suit your personal situation.

Our QFE advisers do not provide recommendations or opinions on financial products issued by other providers. We recommend you seek this type of financial advice from an Authorised Financial Adviser (AFA). We can introduce you to an AFA if you wish.

Fees:

We do not charge you a fee for the KiwiSaver advice provided by our QFE Advisers.

If you become a member of the Generate KiwiSaver Scheme management, trustee, administration and other fund fees may be payable. These fees are disclosed in the Product Disclosure Statement.

Remuneration:

Our QFE Advisers who are employees receive salaries and may receive bonuses, commission and other benefits. The criteria for determining these benefits may be influenced by meeting certain sales, compliance, performance and other targets.

Our QFE Advisers who are contractors are paid by commission only. They may receive an introduction fee of between \$0 and \$300 on each KiwiSaver application based on the value of your future contributions to the Generate KiwiSaver Scheme or the value of your KiwiSaver Scheme investment. Depending on their contractual arrangement with us some QFE Advisers may also receive an ongoing commission of up to 0.20% per annum of the average balance of your KiwiSaver Scheme investment, paid quarterly.

QFE advisers who are contractors may participate in incentive schemes which target specific sales, compliance or performance criteria.

All remuneration, fees, bonuses and commissions paid are paid for by Generate and not by you the investor.

All QFE Advisers may from time to time receive non-monetary benefits such as promotional or Christmas gifts and industry or social invitations.
